[View SPN's Course Catalog](#)

- At the top of the page, select "My Learning", and then select *Pediatric GI Nursing Assessment-Based Program*.

The screenshot shows the 'My Learning' tab selected in the navigation menu. Below the menu, there are tabs for 'Enrolled' and 'Grades'. A table displays the following information:

Title	Grade (%)	Time	Completion	Start Date	End Date
Pediatric GI Nursing Assessment-Based Certificate Program		00:04:53	Incomplete	10/28/21	10/28/24

Below the table, there are links for 'View Details' and a 'Launch' button.

- The modules in the *Pediatric GI Nursing Assessment-Based Certificate Program* may also be searched for under "Course in Package" or scroll to the module.

Courses in package:

- Select the session and click LAUNCH. View the content, fill out the evaluation and submit.
- Once a session evaluation is completed the certificate will be emailed to you as well as be in the "Grades" tab.
- From there, under the session title, you should see "certificate." Click on it and a certificate will open that you can print or download for that session. If you do not see "certificate" and it says you have completed the evaluation. Please contact SPN at info@pedsnurses.org.
